## Coronavirus (COVID-19) Risk assessment – GCI Data Centres

### 1 Scope

Assessment Date	05/06/20	Assessment Completed By	HR & BMS Team
GCI Locations within scope of this risk assessment	<ul style="list-style-type: none"> <li>Alford</li> <li>Salford</li> </ul>	Areas of company affected	Digital Services and MIT Divisions
Review Date	05/07/20	To be reviewed by	HR Director

### 2 Risk Assessment

This risk assessment is applicable to all company locations.

Please see section 3 below for risk rating explanations.

<b>Those at risk from infection at work</b>	This is a Public Health issue with the whole population at risk. Employees and visitors are all at potential risk if the precautions listed below are breached.
<b>Number potentially at risk from infection at work</b>	The GCI C19 Policy is for the vast majority of employees to work from home. A relatively small number of employees are being permitted to work at GCI Data Centres to carry out essential work. These people and their management will comply with POL053 GCI Covid-19 Return to Work Policy which includes specific controls designed to reduce the risk when carrying out these activities. This means the number of people at potential risk is relatively low.
<b>Work involved &amp; Specific Activities assessed</b>	Data Centre related activities

<b>Risk:</b> <b>Source(s) of infection</b>	Possible: contact with contaminated surfaces, direct skin contact, transfer by coughs, sneezes, aerosols, touching surfaces, particularly door handles, taps and common work amenity controls, opening cupboards, any smooth surfaces.
---	--

Hazard	Risk Rating 1 (L x S)	Control measures	Risk Rating 2 (L x S)	Persons at risk
Exposure from working at a third party location- Employees who are <b>in the 'Clinically Extremely Vulnerable' or 'Clinically Vulnerable' categories</b> (see section 4 below)	4 x 5 = <b>20</b>	These employees will <b>not</b> attend third party locations.  <u>Prior to returning to a role involving working at third party locations for employees in this category, a specific risk assessment for each individual will be undertaken and approved by the HR Director, and all control measures implemented and verified.</u>	1 x 5 = <b>5</b>	Employees in these categories
Exposure from working at a third party location- Employees who are <b>not</b> in the above categories	4 x 4 = <b>16</b>	All employees that need to work at a third party location will complete the Covid 19 Employee Health Questionnaire. HR will review and only authorise their return if all responses are 'no'. HR will review instances where 'yes' in answered and a specific risk assessment will be undertaken if the employee is required to work.  Directors, Heads and Managers will be responsible for ensuring they and any employees under their control that are authorised to work at a third party location, comply with POL053 Covid-19 Return to Work Policy.  As much of the required activities or associated activities should be undertaken away from the location to reduce the need to visit, or the duration of the visit.	1 x 4 = <b>4</b>	Employees in these categories
Inadequate social distancing	4 x 4 = <b>16</b>	Social distancing applying the 2m rule must be used wherever possible and in all parts of the location, including when coming to the location, and leaving the location.	1 x 4 = <b>4</b>	Employees and other third parties

		<p>Where 2m cannot be achieved then use the company issue face mask.</p> <p>Compliance with P0L53 GCI Covid-19 Return to Work Policy.</p>		
Coming to the location and leaving the location	4 x 4 = 16	<p>Social distancing applying the 2m rule must be used wherever possible and in all parts of the location, including when coming to the location, and leaving the location.</p> <p>Hand should be washed / sanitised when entering and leaving a location.</p> <p>Where 2m cannot be achieved then use the company issue face mask.</p> <p>Compliance with P0L53 GCI Covid-19 Return to Work Policy.</p>	1 x 4 = 4	Employees and other third parties
Moving around the location	4 x 4 = 16	<p>Social distancing applying the 2m rule must be used wherever possible and in all parts of the location.</p> <p>Adhere to any one-way systems of other location specific arrangements that have been implemented.</p> <p>Where 2m cannot be achieved then use the company issue face mask.</p> <p>Compliance with P0L53 GCI Covid-19 Return to Work Policy.</p>	1 x 4 = 4	Employees and other third parties such as visitors
Undertaking activities in workplaces and workstations	4 x 4 = 16	<p>Social distancing applying the 2m rule must be used wherever possible and in all parts of the location when undertaking activities.</p>	1 x 4 = 4	Employees and other third parties

		<p>Where 2m cannot be achieved then use the company issue face mask.</p> <p>If activities involve other people, than wherever possible also work side by side or back to back.</p> <p>Ensure other people wear a mask / covering.</p> <p>Where this cannot be achieved then discuss with your site contact to see if alternative arrangements can be implemented. Contact HR if required for H&amp;S advice.</p> <p>Compliance with P0L53 GCI Covid-19 Return to Work Policy.</p>		
Meeting Rooms	4 x 4 = 16	<p>Avoid meeting rooms wherever possible</p> <p>Where 2m cannot be achieved then use the company issue face mask.</p>	1 x 4 = 4	Employees and other third parties such as visitors
Common Areas	4 x 4 = 16	<p>Avoid common areas wherever possible</p> <p>Where 2m cannot be achieved then use the company issue face mask.</p> <p>Compliance with P0L53 GCI Covid-19 Return to Work Policy.</p>	1 x 4 = 4	Employees and other third parties such as visitors
Handling equipment / items	4 x 4 = 16	<p>Hands must be washed / sanitised immediately after handling any other items that may have been touched by other people in relation to the direct work area.</p> <p>Compliance with P0L53 GCI Covid-19 Return to Work Policy.</p>	1 x 4 = 4	Employees and third party delivery Employees

Work related travel	4 x 4 = 16	Employees using company cars must ensure they are cleaned regularly on the interior to reduce the risk of infection.	1 x 4 = 4	Employees
Inadequate cleaning	4 x 4 = 16	Employees should frequently clean the area and equipment they are working directly on or are using.  Limit and if possible do not use high-touch items and equipment, for example, printers or whiteboards. Wash / sanitise hands afterwards.  Compliance with P0L53 GCI Covid-19 Return to Work Policy.	1 x 4 = 4	Employees and other third parties such as visitors
Inadequate hygiene	4 x 4 = 16	Employees are required to follow good handwashing technique, to increase handwashing frequency, to avoid touching their face and to cough or sneeze into a tissue which is binned safely, or into their arm if a tissue is not available.  Compliance with P0L53 GCI Covid-19 Return to Work Policy.	1 x 4 = 4	Employees and other third parties such as visitors

### 3 PPE

Employees working at GCI Data Centres will be wear a company issue face mask where they cannot effectively maintain a 2 meter distance with other people.

The issued face mask is an FFP2 specification and designed to give some protection to the wearer as well as decrease the transmission of C-19 by preventing the spread of respiratory droplets produced by coughing or sneezing.

Masks should be used in accordance with the instructions provided at all times.

## 4 Risk Assessment Scoring & Acceptance Criteria for Risk

The following 1 – 5 scoring and acceptance criteria is used within all Risk Tools

Likelihood (Risk Score)	
1	Very Low
2	Low
3	Medium
4	High
5	Very High.
Significance	
1	Zero personal injury
2	Minor personal injury (non-RIDDOR)
3	Major personal injury (RIDDOR)
4	Fatality
5	Multiple fatalities / Clinically vulnerable group

		Significance				
		1	2	3	4	5
Likeli	5	5	10	15	20	25
	4	4	8	12	16	20

3	3	6	9	12	15
2	2	4	6	8	10
1	1	2	3	4	5

Each risk will be assessed in order of risk level score looking at the existing level of controls. As a guidance:

Score	Risk Rating = Significance x Consequence
16-25	High – Unacceptable risk, stop work, re-examine activities and implement risk controls to reduce risk
6-15	Medium – Tolerable if further mitigation is not reasonably practicable and there is a need to continue the activity with identified controls
1-5	Low – acceptable risk

## 5 Vulnerable Categories

Clinically extremely vulnerable	Clinically extremely vulnerable people will have received a letter telling them they are in this group, or will have been told by their GP. Guidance on who is in this group can be found here:  <a href="https://www.gov.uk/government/publications/guidance-on-shielding-andprotecting-extremely-vulnerable-persons-from-covid-19/guidance-onshielding-and-protecting-extremely-vulnerable-persons-from-covid-19">https://www.gov.uk/government/publications/guidance-on-shielding-andprotecting-extremely-vulnerable-persons-from-covid-19/guidance-onshielding-and-protecting-extremely-vulnerable-persons-from-covid-19</a>
Clinically vulnerable people	Clinically vulnerable people include those aged 70 or over and those with some underlying health conditions, all members of this group are listed in the 'clinically vulnerable' section here:  <a href="https://www.gov.uk/government/publications/full-guidance-on-staying-at-home-and-away-from-others/full-guidance-on-staying-at-home-and-awayfrom-others">https://www.gov.uk/government/publications/full-guidance-on-staying-at-home-and-away-from-others/full-guidance-on-staying-at-home-and-awayfrom-others</a>

## 6 Document Control

This document is the property of GCI It shall not be reproduced wholly or in part without the permission of the author.

Controlled copies will be issued and/or explained to any person(s) carrying out work on behalf of GCI and can only be obtained from approved personnel. Any uncontrolled copies must be marked 'Commercially Confidential: Uncontrolled If Printed' on the hard copy. Electronic copies must only be issued as a pdf.

It is the responsibility of the issuer of any uncontrolled copy to clearly explain to the user that the document is only current at the date of receipt and will not subsequently be updated. Any suggested changes or amendments must be communicated through the author for consideration and inclusion if suitable.
